

Empowering Saskatchewan's Charities.

About Us: Our Foundation

We believe in keeping your Charity’s flame burning, and provide as much help as we can.

Here at the Community Foundation we believe in **facilitating** Saskatchewan values, **supporting** local charities and **developing** our community so that our home is a more vital, strong, and fair place to live, work and play.

Founded in 1969, **South Saskatchewan Community Foundation** invests for the long-term with legacy (endowment) Funds that focus on long-term impact in our community.

In addition to distributing grants to worthy causes throughout the year, we pool many visionary Saskatchewan citizens and organizations’ donations – **investing** them together for a **higher return**. This allows donors to see their donations grant out to charities not just once, but **year after year**. It provides sustainable funding to the charitable sector for generations to come.

Our numbers that speak

We have numbers that push us to give in our best and make sure that we break our own records. We are happy to be growing and helping more day by day.
